The purpose of this Directory is to make information available about tools, solutions, services and resources that empower South Africans – especially those in resource-poor communities and those without meaningful access to the internet. Listings are free and will be included in the next available edition of the directory.

We reserve the right to edit listing information supplied, but will supply the typeset listing for your approval.

Please support our work by ordering a copy of the directory. Use the relevant form on our website to do this.
